

COVID POLICIES

- **ZAZEN SURGERY CENTER and KINGSLAND SURGERY CENTER**
 - **Fully Vaccinated, no symptoms-**
 - No Covid test required, must provide a copy of vaccination card. Covid Vaccine Series must be completed.
 - **Non Vaccinated, no symptoms-**
 - Covid test required, no more than 3 days prior, PCR/Rapid accepted.
 - We do accept within 5 days if needed. 5 days includes the test day counted as day 1; and the procedure day. Example: If the patient takes their test on a Sunday, and their procedure is on Thursday; that would be 5 days.
 - **Symptomatic-**
 - Reschedule, vaccinated or not
 - Patients can send their vaccine card directly to ASC at Surgery@zazengroup.com
- **METHODIST WEST HOSPITAL**
 - Covid-19 testing is required prior to your procedure. A representative from Houston Methodist West will contact you to schedule your test at one of their locations. They will not accept tests from other locations. If you have gotten your Covid-19 vaccinations, it is still required for you to have Covid-19 testing done.
- **MEMORIAL HERMANN KATY HOSPITAL**
 - Covid-19 testing is required prior to your procedure. A representative from Memorial Hermann will contact you to schedule your test at one of their locations. If you have gotten your Covid-19 vaccinations, it is still required for you to have Covid-19 testing done.
